1. Board Member Conflicts of Interest	The Committee continued its discussion of how Board member conflicts of interest related to the New gTLD Program: Next Round (Next Round) should be addressed. The Committee agreed to establish a BGC Subcommittee on Conflicts (Subcommittee) to manage Board members' conflicts for the Next Round. Following a call for expressions of interest to Board members to serve on the Subcommittee, the BGC identified four Board members to serve on the Subcommittee: Catherine Adeya (upon her seating on the Board at the Annual meeting in October 2023), Chris Chapman, Sajid Rahman, and León Sánchez (Chair).	29 August 2023	The BGC approved a recommendation that the Board establish the Subcommittee, composed of the recommended membership, which the Board approved on 10 September 2023 (see Resolution 2023.09.10.18).
	Subsequently, between December 2023 and January 2024, the BGC discussed that the Board expand the Subcommittee's remit to include other areas of conflict not directly related to the Next Round.	January 2024	On 21 January 2024, the Board approved the expansion of the Subcommittee's remit and revised the Subcommittee's full title to "The Board Governance Committee Subcommittee on Conflicts of Interests." (See Board Resolution 2024.01.21.02)
2. PTI Bylaws Amendment	The Committee considered proposed amendments to the PTI Bylaws. The proposed amendments include: (i) modifying the timing for the initial delivery of the PTI Operating Plan and Budget to the PTI Board, which is currently set at nine months prior to the start of the fiscal year, to a 90-day window to allow better alignment with ICANN's planning processes; and (ii) moving PTI from a four-year strategic planning cycle to a five-year cycle, which will enable alignment with ICANN's five-year strategic planning work. The Committee noted that the proposed revisions underwent community consultation through a public comment period and sessions at ICANN76. Based upon community	29 August 2023	The Committee approved a recommendation that the Board approve the proposed PTI Bylaws amendments, which the Board approved on 10 September 2023 (see Resolution 2023.09.10.10).

8. Proposed Revisions to Standard Provision of Committee Charters	The Committee discussed a recommendation to the Board to approve proposed revisions to certain standard provisions in Board Committees' charters to align the charters with current practices. Specifically, the BGC recommended that the Board approve updates to the provisions on voting and quorum, records of proceedings, succession plan, and committee review.	21 September 2023	The BGC approved a recommendation that the Board approve the proposed revisions to standard provisions of Committee charters, which the Board approved on 26 October 2023 (see Resolutions 2023.10.26.02 – 2023.10.26.03).
9. Proposed Revisions to Charters for BAMC, BGC, and OEC	The Committee considered and recommended that the Board approve revisions to the BAMC, BGC, and OEC Charters. The changes include: (i) incorporating into the Board Accountability Mechanisms Committee charter a reference to receiving reports on the status of outstanding accountability mechanisms and litigation that involves ICANN or is of interest to ICANN; (ii) incorporating into the BGC charter a reference to other Board groups; and (iii) adding a reference in the Organizational Effectiveness Committee charter to the oversight of the Generic Names Supporting Organization Stakeholder Groups/Constituencies Charter amendment processes.	25 July 2023 26 October 2023	The BGC approved a recommendation that the Board approve the revised charters, which the Board approved on 26 October 2023 (see Resolution 2023.10.23.02).
10. Status Update of BGC Questionnaire Action Item	The Committee received a status update on the BGC questionnaire action items. From a total of 41 action items 27 action items have been completed with 14 items in progress. The majority of the remaining items are expected to be completed by the end of the 2023 calendar year.	21 September 2023	The majority of the remaining items have been completed by the end of the 2023 calendar year.

11. Charter of Board Caucus on New gTLD Program: Next Round	The Committee discussed the proposed charter of the Next Round Board Caucus. The Committee reviewed and discussed the scope and responsibilities of the Caucus and agreed on moving away from the term "SubPro" and agreed on using "Next Round" to ensure uniformity. The Committee suggested including a reference to making recommendation to the full ICANN Board on GNSO policy recommendation in the scope and responsibilities. The Committee asked ICANN org to update the proposed charter to reflect the BGC's input for consideration by the Next Round Board Caucus.	21 November 2023	ICANN org to revise the proposed charter to address the Committee's feedback and present the proposed revisions to the Next Round Board Caucus for consideration.
12. Selection of BGC Chair Alternate	The Chair identified, and the Committee agreed, Danko Jevtović to serve as the BGC Chair alternate in the event that the Chair is unavailable for a meeting, or recuses herself from presiding over a matter, or is otherwise unavailable to fulfill her role as Chair.	21 November 2023	The BGC noted that Danko Jevtović shall serve as the BGC Chair alternate in the event that the Chair is unavailable for a meeting, recuses herself from presiding over a matter, or is otherwise unavailable to fulfill her role as Chair.
13. Summary of Board Members' Conflict of Interest Disclosure Statements	The Committee reviewed the Summary of Board members' Conflicts of Interest Disclosure Statements (Summary), which will be published as part of a summary of interests on the ICANN website once finalized. Following full Board review of the Summary, the document was published on ICANN's website at <a href="https://www.icann.org/en/system/files/files/summary-soi-25jan24-en.pdf">https://www.icann.org/en/system/files/files/summary-soi-25jan24-en.pdf</a> .	25 January 2024	The Committee discussed revisions to the Summary and asked ICANN org to update the document to reflect the Committee's discussion before circulating it to the full Board for review. Following full Board review of the Summary, the document was published on ICANN's website at <a href="https://www.icann.org/en/system/files/files/summary-soi-25jan24-en.pdf">https://www.icann.org/en/system/files/files/summary-soi-25jan24-en.pdf</a> .

## **In Progress Activities**

Item	Description of BGC Activity	Target Completion Date	Status
1. Proposed Revisions to Board Technical Committee (BTC) Charter	The Committee discussed the BTC's proposed revisions to its charter to allow non-voting Board liaisons to become voting members of the BTC. The BGC noted that role of Board liaisons and the scope of their authority is defined by the Bylaws, and that pursuant to Article 7, Sections 7.1 and 7.9(d), Board liaisons are not included "in establishing the validity of votes taken by the Board." The BGC further noted that Board liaisons are "entitled to attend meetings, participate in discussions and deliberations, and have access (under the conditions established by the Board) to materials provided to Directors for use in Board discussions, deliberations and meetings" in accordance with Section 7.9(d) of the Bylaws. The BGC provided its feedback and proposed revisions to the BTC charter for the BTC's consideration. The Committee discussed the role of Board Liaisons on Board Committees, and included language in the updated standard provisions of all committee charters to recognize the value that Liaisons bring to the committees on which they serve.	TBD	BTC to consider the BGC's feedback and proposed revisions to the BTC charter.
2. Delegation of Authority (DoA) Guidelines	The Committee continued the discussion of whether the Delegation of Authority Guidelines (Guidelines) that was adopted by the Board in 2017 needs to be updated to reflect current practices. The Committee reviewed the feedback from Committee members to various sections in the Guidelines. In early January 2024, the Committee recommended a proposed revised Guidelines for the Board's consideration. Following Board feedback, the Committee will continue its discussion of the matter at a future meeting taking into consideration feedback from the Board.	TBD	In progress.
3. Board Member Training	The Committee reviewed the current Board Member training plan and whether the plan needs to be updated to reflect current	TBD	In progress

	practices. The Committee discussed updating the plan to include		
	more flexibility for how Board members can use their annual		
	training budgets, such as allowing the Board members to carry		
	over unused budget to the following fiscal year. The Committee		
	also discussed encapsulating into the updated training plan the		
	current practice of limiting the use of training funds to the first six		
	months of the last year for term ending Board members. The		
	Committee requested information on how training funds have		
	been used by Board members in prior years and whether any		
	training opportunities have been missed because there were		
	insufficient funds in the training budget. The Committee agreed		
	to continue its discussion at a future meeting.		
	The Committee continued its review of the current Board		
	Member training plan and whether the plan needs to be updated		
	to reflect current practices. ICANN org provided information on		
	how the training funds have been used by Board members in		
	prior years. The Committee discussed the impact of inflation on		
	training costs, the need for flexibility, and the need to improve		
	communication. The Committee agreed to continue its		
	discussion at a future meeting.		
4. Board Working	The Committee continued its discussion on whether the Board	TBD	In progress
Group on Internet	Internet Governance Working Group (BWGIG) should continue as		
Governance	a Working Group or if it should be wound up as the Board has		
	been and will continue to undertake the responsibilities of the		
	BWGIG. The Committee discussed the potential impact on		
	winding up the Working Group and folding the work into the full		
	Board, emphasizing the need for a structured approach, cadence,		
	and processes into the topic so that the work related to Internet		
	governance continue to be prioritized.
