On behalf of Review of Reviews Cross-Community Group (Reviews CCG) Co-Chairs

Dear Nominating Groups,

On behalf of the Review of Reviews Cross Community Group, we are pleased to inform you that we have now released our [Draft Report \[itp.cdn.icann.org\]](https://itp.cdn.icann.org) for [public comment](#). The proceeding will close on 4 August 2026. We appreciate your help in spreading the word and look forward to receiving input on the approach and proposed refreshed reviews system as a whole, as well as on the individual elements and proposed operational aspects.

Please keep an eye out for webinar sessions we will be hosting in July. We will produce flowcharts in time for these webinars to help illustrate the proposal and facilitate

discussion. In the meantime, we have published a set of [Frequently Asked Questions \[icann-community.atlassian.net\]](https://community.atlassian.net/t5/Frequently-Asked-Questions/qaq-p/1311111) which we will continue to update as questions arise.

While the public comment is running, the Reviews CCG will work on developing a series of use cases. These will be published, as they become available, on a [wiki page \[icann-community.atlassian.net\]](https://community.atlassian.net/t5/Wiki-Pages/faq-p/1311111) that is also referenced in the public comment information.

Alongside the updates you receive through your members, we welcome the opportunity to meet with your groups, as needed, to discuss the proposal and answer any questions.

Thank you in advance for your contributions.

Best regards

Avri Doria, Chris Disspain, Manal Ismail
