

**Guideline: ccNSO General Statement of Interest
&
ccNSO [Council] Conflict of Interest**

Version 2.0 - Adopted by ccNSO Council April 2026

Updates to the Guideline as adopted by the ccNSO Council in July 2023

To align with the ICANN Code of Conduct the following was updated in the 2023 ccNSO Guideline

To reduce confusion and strengthen transparency, the ccNSO might consider updating its guidelines to:

- Explicitly reference the ICANN Code and clarify their relationship
- Add the provision about non-participation when disclosure cannot be made
- Include familial relationships in the list of interests to disclose
- Expand examples to cover more scenarios (researchers, patent holders, consultants with multiple clients)

Excluded from the update:

- Allow for issue-specific supplemental disclosures when interests differ by topic
- Add training and education commitments for ccNSO participants

Participants: Any person who participates in a ccNSO group on equal footing with members. Council does not appoint participants.

Expert: The ccNSO Council or chair of a ccNSO Group may also invite and appoint a person as an advisor to the Group, for their special knowledge or expertise. Experts shall not be considered members of the WG, but are entitled to participate on an equal footing in their area of expertise.

Liaison: A person who is appointed by another SO, AC or other non-ccNSO group invited by and at the request of the Council or Chair of a ccNSO group.

- **Material Interest:** For purposes of this Guideline, an interest needs to be substantial or of consequence.
- **Financial Interest.** A "Financial Interest" is the monetary reward for a service rendered, a monetary gain for commercial dealings, or the ownership of shares with the potential for monetary profit.
- Familial relations as defined in the Code of Conduct

The following definitions are only relevant and only apply to Part B of this Guideline:

Potential Conflict of Interest: "Potential Conflict" or "Potential Conflict of Interest" means any one or more of the following:

- (a) a direct or indirect (Financial) Interest in a transaction, contract or arrangement under consideration by the ccNSO, the Council, or a Council Group ;
- (b) a close personal relationship between the Councillor, or a member of a Councillor's family, with an individual who is, directly or indirectly through business, investment, or family, a party to a transaction, contract or arrangement under consideration by the Council (*for example, travel funding, or an appointment with travel funding or other material benefits involved*).

Potential Perceived Conflict: "Potential Perceived Conflict" exists when a reasonable person, knowing the relevant facts, could conclude that the Councillor's private interests could adversely impact the Councillor's ability to act fairly and independently, or are opposed to the best interests of the ccNSO.

Conflict of Interest: A "Conflict" or "Conflict of Interest" arises when the Council according to the relevant procedures determines that a Councillor has disclosed a Potential Conflict that may, in the judgment of a majority of the Disinterested members of the Council, adversely impact the Councillor's ability to act fairly and independently and, or is opposed to, the best interests of the ccNSO.

Conflicted Person: "Conflicted Person" means a Councillor who Disinterested Councillors have determined to have a Conflict of Interest.

Disinterested. "Disinterested" means not having a Potential Conflict or Potential Perceived Conflict with respect to a transaction, contract, arrangement, policy, program or other matter under consideration by the ccNSO.

Part A: ccNSO Statement of Interest Process

1. Background & Purpose

Good Governance is a foundation for cohesion and stability in any organization and, in turn, provides pillars that give credibility to the organization and its members. Within this community, the pillars of Participation and Inclusion are strong and from these flow legitimacy and voice. Since 2003, the ccNSO's primary focus has been on performance and direction. It is time to concentrate on enhancing accountability and fairness, starting with transparency.

The tools we look at to achieve this do not have to be complex. While this process began by looking solely at Conflict of Interest, the vast number of active participants who give their time to represent their TLDs do not require as formal a mechanism as a Conflict of Interest. In most situations and roles within the ccNSO, a self-declaration and awareness mechanism should suffice.

This approach aligns with the spirit of this community. It is also a proactive step rather than a reactive step. A Statement of Interest process is an easy-to-implement transparency mechanism that promotes accountability and fairness while improving the Good Governance of this community.

2. Objective

The goal of this Guideline is to document the responsibilities and procedures regarding the content, creation, timely update, accuracy, completeness, and compliance of Statements of Interest as defined above.

3. Applicability

Each Member or Participant is responsible for ensuring compliance with this Guideline by providing a Statement of Interest and keeping it up to date. All completed Statements of Interest shall be posted and made public through the ccNSO website.

Failure to comply with these procedures is covered in Section 7 below.

The ccNSO Secretariat administers this process. Administration includes, but is not limited to, informing new members of ccNSO Groups of the Guideline and requirements, ensuring access to the Statements of Interest, and following up on any requests from the Chairs of ccNSO Groups about this procedure.

4. Exemptions

ICANN Staff members and contractors are exempt from submission of a Statement of Interest. The exemption does not apply to Staff who do not work exclusively for ICANN.

5. Procedures with respect to Statement of Interest

5.1. Requirement for participation

To participate in a ccNSO Group, Members and Participants are required to:

- Submit to the ccNSO Secretariat a Statement of Interest (section 5.2),
- Review and update the Statement whenever there is a material change
- Review the Statement at least once a year (see part A section 6 below).

Whenever there is a material change in Interest of the Member or Participant, the Statement of Interest must be updated before the next meeting or within 10 business days of the material change, whichever is sooner.

At the beginning of each meeting of a ccNSO Group, the Chair of that ccNSO Group shall ask all meeting attendees whether there is an update to their Statements of Interest. If so, such changes shall be recorded in the meeting notes at the meeting where the Member or Participant advises the attendees of such a change. This should be posted as soon as possible, along with the updated Statement of Interest.

5.2. SOI Form and Publication

To ensure consistency, the ccNSO Secretariat shall develop, maintain, and make available an electronic Statement of Interest form, including procedures and instructions for completing it online. The Secretariat shall also provide an alternative arrangement (e.g. email) if a Member or Participant cannot complete the form online (see Annex A).

5.3. Content of the Form

Members and Participants have to complete all sections of the Statement of Interest form as specified below to get involved in a ccNSO Group:

1. Name;
2. Country of Primary Residence;
3. Stakeholder Group;
4. ICANN Constituency;
5. ICANN Affiliation (if not covered by item 4 or 5)
6. Any Working Groups or other chartered teams in which you are participating.
7. Current employer(s) and position(s),
8. Category of work performed at # 7 above,
9. If any financial relationship goes beyond a stock holding of 3% or more ownership, with any company or person that has a financial relationship or contracts with ICANN,
10. Involvement in the ccNSO Group as a representative of any individual or entity, whether paid or unpaid. If participating as a representative, the name of the represented individual or entity should be provided, unless professional and/or ethical obligations prevent disclosure of this information. If obligations prevent disclosure, this must be stated. If such a disclosure is not made, section 6 applies.

11. Any other relevant arrangements, interests, or benefits as requested in the following two situations:
 - i. Any material interest in the outcome of ccNSO policy development processes. If affirmative, the material interest in ICANN ccNSO policy development processes and outcomes has to be described.
 - ii. Any arrangements/agreements between the Member or Participant and any other group, constituency or person(s), including familial relations, related to (work of) the ccNSO Group. If affirmative, describe the arrangements/agreements and the name of the group, constituency, or person(s).

Note all: Should these be included in section 5.3 and Template (Annex A)

6. Update of Statement of Interest

Participants are expected to keep their SOI up to date.

For avoidance of doubt, the secretariat is not expected to actively monitor whether a participant has updated its SOI. However, if the secretariat becomes aware of a change, for example, if alerted of a change, they may remind a participant to update the SOI.

After an alert by the secretariat, the participant will have one month to update the SOI. If the SOI is still not updated one month after the notification, participation will be suspended, the participant alerted, and given 2 weeks to update the SOI.

If the SOI is still not updated, the non-updating will be considered misbehaviour by the participant, and the Council will be informed accordingly.

7. Completeness and Accuracy

7.1. Completeness

The ccNSO Secretariat shall review each Statement of Interest for completeness. If the Secretariat believes the documentation is incomplete, the Member or Participant shall be notified and requested to provide the omitted or missing information within 10 business days. If there are extenuating circumstances for which the documentation is incomplete, the Member or Participant should explain why. If the matter cannot be satisfactorily resolved within a reasonable period, the Secretariat shall raise the issue with the Chair of the relevant ccNSO Group. In case the Statement of Interest of the Chair is incomplete, it should be raised to a person designated by the ccNSO Group, pursuant to section 7.3.

7.2. Accuracy

Suppose there are concerns raised about the accuracy of a Member's or Participant's Statement of Interest, including whether an interest may affect the Member's or Participant's judgment concerning a pending matter that has been disclosed. In that case, it shall be brought to the attention of the Member or Participant and the Chair of the relevant ccNSO Group or a person designated by the ccNSO Group in

case the Statement of Interest of the Chair is possibly inaccurate. The Member or Participant will have 10 business days to resolve the matter before it is handled by the Chair of the relevant ccNSO Group or by a person designated by the ccNSO Group if the Statement of Interest of the Chair is possibly inaccurate, pursuant to section 7.3.

7.3. Procedure to resolve in-correctness or in-completeness

If there are concerns about the accuracy or completeness of a Statement of Interest and attempts to resolve the issue with the Member or Participant have failed, the Chair of the relevant ccNSO Group will handle the matter in accordance with the Conflict of Interest procedure. At every step of this process, efforts should be made to resolve concerns by working cooperatively with the Member or Participant.

8. Failure to Comply

8.1. Requirement to Participate

Before participating in a ccNSO Group, each Member or Participant must fill out a Statement of Interest. If a Member or Participant fails to update a Statement of Interest by 30 April of each year or whenever there is a material change, the Chair of the relevant ccNSO Group may temporarily suspend attendance of calls or meetings by that person until the Statement of Interest is updated. Involvement shall not be suspended if the matter is subject to the procedure outlined in section 6.3 and a final determination is made under that process.

8.2. Suspension

If a Member or Participant does not follow the procedures outlined in section 6.3, the Chair of the ccNSO Council, along with the Vice-Chairs, may end the person's involvement in a ccNSO group (except for the ccNSO Council) until the issue is resolved. The ICANN General Counsel and ccNSO Council will be informed of this action, and the decision will be documented in the ccNSO Council records.

Part B: ccNSO [Council] Conflict of Interest Procedures

1. Introduction

It is recognized that the general Statement of Interest Procedures is a proactive step rather than a reactive measure, and an easy-to-implement transparency mechanism which results in accountability and fairness while improving the Good Governance of this community.

Some Council decisions or other matters under discussion by the Council may give rise to potential conflicts of interest, or potential perceived conflicts (Decision Areas Potential Conflict of Interest). These conflicts can seriously damage the community's confidence in the ccNSO Council and working relations. The ccNSO Council Conflict of Interest procedure has been developed to prevent these situations from escalating, enhance accountability and ensure fairness.

2. Duty to Disclose

(a) In connection with any of the identified decision areas being considered by the ccNSO Council in section Part B 1 above, a Councillor shall promptly disclose any Potential Direct Conflict that may give rise to a Conflict of Interest with respect to the identified area of decision. Such disclosure shall be made at the start of every meeting or to the ccNSO Secretariat, when a decision is required on-line, including all relevant facts relating to the Potential Direct Conflict. When in doubt, Councillors shall disclose matters as Potential Conflicts.

(b) Potential Perceived Conflicts can seriously damage the community's confidence in the ccNSO. A Councillor shall promptly disclose any Potential Perceived Conflict, which shall be treated as equivalent to a Potential Conflict until the doubt is removed and the matter is determined after investigation of all the relevant facts in accordance with this COI Guideline. When in doubt, a Councilor shall disclose such issues as Potential Perceived Conflicts and all relevant facts relating to the Potential Perceived Conflict to the Secretariat with a copy to the Office of the General Counsel of ICANN.

(c) If any person has reason to believe that a Councillor has a Potential Conflict, the Councillor or other person with such belief shall inform the Secretariat with a copy to the Office of the General Counsel of ICANN, including disclosing all relevant facts relating to it.

(d) The Conflicted Person shall provide the Secretariat - with a copy to the Office of the General Counsel of ICANN - an updated Statement of Interest when any disclosure is made according to Section 3(a). The disclosure to the Secretariat with a copy to the Office of the General Counsel of ICANN of a Potential Conflict shall be made promptly and pursuant to the ccNSO Internal Procedure on Statement of Interest as adopted by the ccNSO Council and updated from time to time.

3. Determining Whether a Conflict of Interest Exists

(a) After disclosure of a Potential Conflict by an Interested Person, the ccNSO Secretariat will promptly inform the Disinterested Councillors of the Potential Conflict and provide them with all information provided by the Interested Person(s) related thereto. At the discretion of the Disinterested members of the Council, the Interested Person(s) may present further information regarding, or otherwise discuss with such members, the Potential Conflict.

(b) Thereafter, in the absence of the potential Conflicted Person, the Disinterested members of the Council shall determine whether or not the circumstances disclosed by the Interested Person(s) regarding the Potential Conflict constitute a Conflict of Interest. The determination by Disinterested members of the Council in this regard is conclusive and may not be challenged by the Interested Person(s). Such determination shall be made and recorded before the Disinterested Councillors decide on the matter at hand, giving rise to such Potential Conflict.

4. Procedures for Addressing a Conflict of Interest

(a) If the Disinterested members of the Council determine that a Conflict of Interest exists, the Conflicted Person may present to the Disinterested members of the Council regarding the Conflict of Interest. After any such presentation the Conflicted Person shall leave the meeting and shall not be present during any discussion of the Conflict of Interest.

(b) The Chair of the Council (if Disinterested, or other person designated by the Council in case the Chair is conflicted) or a majority of the Disinterested members of the Council, may, if appropriate, appoint a Disinterested person or committee to investigate alternatives or modifications, as applicable, to the proposed arrangement, internal procedure, program or other matter giving rise to the Conflict of Interest. The findings shall be reported to the Disinterested Councillors at or before the next Council meeting and before the Disinterested Councillors decide on the matter giving rise to such Conflict of Interest.

(c) If alternatives for the proposed arrangement, or internal procedures have been investigated, including the findings of any person or committee appointed pursuant to Section 4(b), the Disinterested members of the Council shall determine whether the ccNSO can obtain with reasonable efforts a more advantageous arrangement, internal procedure, program or other matter in a manner that would not give rise to Conflict of interest or would mitigate it. Such determination shall be reported to the Disinterested Councillors at the next Council meeting and prior to the Disinterested Councillors approving or adopting, as applicable, the arrangement, internal procedure, program or other matter giving rise to such Conflict of Interest.

5. Duty to Abstain

(a) After disclosing the existence of a Potential Conflict, Interested Persons shall refrain from using their influence (either at or outside a Council meeting) to sway the Council's handling of the matter that gave rise to the Potential Conflict.

(b) Each Councillor must abstain from voting on any matter in which the Councillor has a Conflict of Interest.

(c) In the event of such an abstention, the abstaining Councillor shall state the reason for the abstention, which shall be recorded.

(d) No Councillor may participate in a Council committee or Council deliberations on any arrangement, internal procedure, program or other matter in which they have a Conflict of Interest without first disclosing the Conflict of Interest (and otherwise complying with the requirements of this COI internal procedure) and until a majority of Disinterested members of the committee or a majority of the Disinterested Councillors agree on whether and in what manner the Conflicted Person may participate.

6. Breach of the Conflicts of Interest Policy

(a) If the Disinterested members of the Council or Council Committee have reasonable cause to believe a Councillor has failed to disclose a Potential Conflict, the Council or Council Committee shall 1) inform the Council and the Secretariat with a copy to the Office of the General Counsel of ICANN, and 2) initiate the procedures described above.

(b) If the Disinterested members of the Council or Council Committee determine that a Councillor has intentionally failed to disclose a Potential Conflict, the Disinterested members of the Council or Council Committee shall make recommendations to the Disinterested Councillors for corrective action. The Disinterested Councillors shall review the Disinterested members of the Committee's recommendation and shall take such corrective action as they deem appropriate, including, but not limited to, informing the ccNSO Membership of intentional failure of not disclosing a Potential Conflict.

7. Records of Proceedings

The written or electronic records of the Council relating to Conflicts of Interest shall contain:

(i) If agreed by the person(s), the names of the Interested Person(s), who exposed, disclosed or otherwise were found to have a Conflict or Potential Conflict in connection with a proposed arrangement, policy, program or other matter. If a person does not agree, that person will be referred to as "Anonymous";

(ii) The nature of the Potential Conflict;

(iii) Any action taken to determine whether a Conflict of Interest was present;

(iv) The Council's decision as to whether a Conflict of Interest in fact existed;

(v) The names of the persons who were present for discussions and votes relating to the arrangement, policy, program or other matter;

(vi) The content of the discussion, including any alternatives to the arrangement, policy, program or other matter; and

(vii) A record of any votes taken in connection therewith.

Part C: Miscellaneous

1. ccNSO Internal Guideline

This Guideline implements ICANN's Code of Conduct, as adopted by the ICANN Board of Directors (<https://www.icann.org/en/system/files/files/adopted-icann-community-participant-code-of-conduct-14-sep25-en.pdf>) and is an internal rule of the ccNSO in accordance with Article 10 Section 3.11 and Article 10 Section 4.2 of the ICANN Bylaws.

2. Omission in or Unreasonable Impact of the Guideline

In the event the Guideline does not provide guidance and/or the impact is unreasonable for the ccNSO to conduct its business, the Committee will decide and inform the ccNSO Council Accordingly.

3. Review of the Guideline

The Guideline will be reviewed every five (5) years, starting 5 years after adoption of version 2 of the Guideline. The Guideline will also be evaluated after a Board adopted amendment to the ICANN Code of Conduct, or adjusted when deemed necessary by the ccNSO Council.

To become effective, the ccNSO membership must be consulted. After the consultation, the updated Guideline must be adopted by the ccNSO Council and published on the ccNSO website. Before publishing the updated Guideline, the Secretariat will adjust the version number and insert the date the Guideline was reviewed and adopted by the ccNSO Council. The updated version becomes effective upon publication.
