Section I: General Overview and Next Steps

The Generic Names Supporting Organization (GNSO) Standing Committee on Improvements Implementation (SCI) is recommending a modification of the GNSO Policy Development Process (PDP) Manual, which is an integral part of the GNSO Operating Procedures, to address the possible termination or suspension of a PDP. Following the closing of the public comment forum, the SCI will review the comments received; revise its recommendations, if deemed appropriate; and submit these to the GNSO Council for its approval. If the GNSO Council approves the modifications they will be incorporated into a revised version of the PDP Manual and in a revision of the GNSO Council Operating Procedures, Annex 2.
