Section III: Summary of Comments			
<p><i>General Disclaimer: This section is intended to broadly and comprehensively summarize the comments submitted to this Forum, but not to address every specific position stated by each contributor. Staff recommends that readers interested in specific aspects of any of the summarized comments, or the full context of others, refer directly to the specific contributions at the link referenced above (View Comments Submitted).</i></p>			
<p>No comments were received in response to this consultation.</p>			
<p>Do the User Instructions clearly provide instructions on how to request a gTLD delegation or redelegation?</p>			

No comments were submitted.

Do the User Instructions clearly describe the steps for processing a gTLD delegation and redelegation?

No comments were submitted.

Do you have additional suggestions as to what may be missing from the User Instructions?

No comments were submitted.

By what process should ICANN notify the community when there are revisions made to the User Instructions?

No comments were submitted.

Does the community think it would be useful for ICANN to publish additional documentation such as a Knowledge Base with help articles and/or a list of Frequently Asked Questions as a companion to the User Instructions?

No comments were submitted.

Section IV: Analysis of Comments

General Disclaimer: This section is intended to provide an analysis and evaluation of the comments received along with explanations regarding the basis for any recommendations provided within the analysis.

This consultation focused on documenting instructions to the applicant for how to apply for a gTLD delegation or redelegation, including process steps and which policies are currently followed.

ICANN received zero (0) submissions during the comment period.
