<b>Section I: General Overview and Next Steps</b>																							
<p>The Board Working Group on Nominating Committee (<a href="#">BWG-NomCom</a>) formed in February 2014, was charged with performing the review called for in Recommendation 10 of the <a href="#">Nominating Committee Review Finalization Working Group</a>, addressing issues of the size and composition of the Nominating Committee (NomCom), as well as the related issues of NomCom's recruitment and selection functions. The BWG-NomCom prepared a <a href="#">report</a> that includes 15 recommendations. Pursuant to its Charter, the report was presented to the Structural Improvements Committee (SIC). After the SIC reviewed the report, the Committee recommended that the Board direct staff to post the report for public comment. The BWG-NomCom will reconsider and refine its recommendations, as appropriate, based on the comments received.</p>
