[START OLD TEXT]

"3. Searchable Whois

Notwithstanding anything else in this Agreement, Registry Operator must offer a searchable Whois service compliant with the requirements described in Section 1.10 of Specification 4 of this Agreement. Registry Operator must implement at least one of the following mechanisms in order to prevent abuse of the searchable Whois service:

- Username and password based authentication.
- Certificate based authentication.
- CAPTCHA (Completely Automated Public Turing test to tell Computers and Humans Apart) with rate-limiting mechanism to prevent repetitive invocation of the service.”

[END OLD TEXT]

Each party hereby acknowledges and agrees that this Amendment shall not be construed as a waiver of any provision of the Agreement by any party hereto, nor shall it in any way affect the validity of, or the right of any party hereto, to enforce the provisions of the Agreement. The parties agree that, except as set forth in this Amendment and any prior duly authorized and executed amendments, the current terms and conditions of the Agreement will remain in full force and effect. All capitalized terms not defined will have the meaning given to them in the Agreement. This Amendment may be executed in counterparts, each of which shall be deemed an original, and all of such counterparts

taken together shall constitute one and the same instrument.
