

## **Amendment No.1 to Registry Agreement**

The Internet Corporation for Assigned Names and Numbers and Brice Trail, LLC agree, effective as of \_\_\_\_\_ (“Amendment No. 1 Effective Date”), that the modification set forth in this Amendment No. 1 (the “Amendment”) is made to the 2 June 2016, **.doctor** Registry Agreement between the parties, as amended (the “Agreement”).

1. **Amendments to Agreement.** The parties hereby agree to amend Specification 11 (Public Interest Commitments) as of the Effective Date of the Agreement by adding after Section 3(g) and before Section 4 thereof the following new text:

[START NEW TEXT]

- h. Registry Operators will proactively create a clear pathway for the creation of a working relationship with the relevant regulatory or industry self-regulatory bodies by publicizing a point of contact and inviting such bodies to establish a channel of communication, including for the purpose of facilitating the development of a strategy to mitigate the risks of fraudulent and other illegal activities.
- i. Registry Operators will include a provision in their Registry-Registrar Agreements that requires registrars to include in their Registration Agreements a provision requiring registrants to provide administrative contact information, which must be kept up-to-date, for the notification of complaints or reports of registration abuse, as well as the contact details of the relevant regulatory, or industry self-regulatory, bodies in their main place of business.
- j. Registry Operators will include a provision in their Registry-Registrar Agreements that requires registrars to include in their Registration Agreements a provision requiring a representation that the registrant possesses any necessary authorizations, charters, licenses and/or other related credentials for participation in the sector associated with the TLD.
- k. If a Registry Operator receives a complaint expressing doubt with regard to the authenticity of licenses or credentials, Registry Operators should consult with relevant national supervisory authorities, or their equivalents regarding the authenticity.
- l. Registry Operators will include a provision in their Registry-Registrar Agreements that requires registrars to include in their Registration Agreements a provision requiring registrants to report any material changes to the validity of the registrants' authorizations, charters,

licenses and/or other related credentials for participation in the sector associated with the TLD in order to ensure they continue to conform to appropriate regulations and licensing requirements and generally conduct their activities in the interests of the consumers they serve.

[END NEW TEXT]

The parties agree that, except as set forth in this Amendment and any prior duly authorized and executed amendments, the current terms and conditions of the Agreement will remain in full force and effect. All capitalized terms not defined will have the meaning given to them in the Agreement.
