ICANN Final Determination

Re: Notice of Registry Operator Request for Termination of Registry Agreement - .kerrylogistics

On 29 October 2024, Kerry Trading Co. Limited notified ICANN org of its intent to terminate the .kerrylogistics Registry Agreement entered into on 09 April 2015. Pursuant to Section 4.4(b) of the Registry Agreement, Registry Operator may terminate the Registry Agreement for any reason upon one hundred eighty (180) calendar day advance notice.

Pursuant to the terms of Section 4.5 of the Registry Agreement, ICANN org consulted with Kerry Trading Co. Limited to assess whether to transition operation of the .kerrylogistics top-level domain (TLD) to a successor Registry Operator.

On 11 December 2024, ICANN org made a preliminary determination that operation of the .kerrylogistics TLD need not be transitioned to a successor Registry Operator based on the following rationale:

ICANN org's review and determination regarding transition to a successor registry are subject to Section 4.5 of the Registry Agreement and are based on various factors, including ICANN org's assessment that transitioning the TLD is not necessary to protect the public interest. Kerry Trading Co. Limited attested and ICANN org confirmed that there are no domain name registrations in the .kerrylogistics TLD beyond those required by the Registry Agreement.

On 10 January 2025, after a 30-day period for comments by interested parties, no comments were received. Pursuant to Section 4.4(b) of the Registry Agreement, ICANN org will proceed to terminate the .kerrylogistics Registry Agreement by 27 April 2025.
