RE: Renewal of the multiple Registry Agreements for the TLDs listed in Appendix A (the "Registry Agreements")

Dear Registry Operator,

The top-level domains (TLDs) listed in Appendix A are part of the New gTLD Program initiative that expanded the top level domain space, created greater consumer choice, enhanced competition, and provided a robust platform for innovation.

It's been 10 years of operations and pursuant to Article 4 of the Registry Agreements between the Internet Corporation for Assigned Names and Numbers and Registry Operator, the Registry Agreements will be renewed for a successive 10-year period beginning on the corresponding dates noted in Appendix A (each date, a "Successive Term Start Date"). ICANN reserves the right not to permit renewal of any of the Registry Agreements in the event any of the exceptions set forth in [Section 4.2](#) of each Registry Agreement apply on the corresponding Successive Term Start Date. For clarity, none of the terms of the Registry Agreements will change as a result of these renewals; and re-execution of the Registry Agreements are not necessary. ICANN will soon publish this letter to the Registry Agreement webpages.

ICANN appreciates that, as a registry operator, you manage a piece of the Internet infrastructure. My team continues to be available to support and collaborate with you to ensure a secure, stable and resilient TLD namespace. Should you have any questions, please reach out to your account manager for assistance or open a general inquiry case in the Naming Services portal.

We welcome the renewal of your Registry Agreements and look forward to your continued support and participation within the ICANN community.

Sincerely,

DocuSigned by:
