

Amendment to Registry Agreements

THIS AMENDMENT (“Amendment”), effective as of _____ (“Amendment Effective Date”), is made between the Internet Corporation for Assigned Names and Numbers (“ICANN”) and Identity Digital Limited (“Registry Operator”), and shall amend the Registry Agreement for certain top-level domains (“TLDs”) in the manner as further detailed and described herein.

WHEREAS, Registry Operator (i) is party to the Registry Agreements identified in Appendix I (each, a “Registry Agreement”) and (ii) is the Registry Operator of those TLDs identified in Appendix I to this Amendment, which is attached hereto and incorporated herein;

WHEREAS, Registry Operator has notified ICANN that it has legally changed its name from Afilias Limited a private company limited by shares formed under the laws of Ireland, to Identity Digital Limited a private company limited by shares formed under the laws of Ireland;

WHEREAS, in the interest of the mutual convenience of the parties, in lieu of executing an individual amendment to the Registry Agreement for each individual TLD identified in Appendix I, the parties hereby desire to consolidate the modifications as provided in this Amendment;

WHEREAS, Section 7.6(i) of each Registry Agreement allows the parties to bilaterally amend the Registry Agreement in a writing signed by both parties; and

NOW, THEREFORE, the parties, intending to be legally bound, agree as follows:

1. Registry Operator represents it has proper authority to execute this Amendment for the purposes intended.
2. The Registry Agreement for those TLDs identified in Appendix I shall be amended in the manner set forth below as the amendment number provided in Appendix I.
3. All references to “Afilias Limited” in each Registry Agreement are hereby stricken and replaced with “Identity Digital Limited”.
4. Registry Operator represents to ICANN that (i) as of 29 August 2022, Registry Operator has validly and legally changed its name as stated

above, (ii) it has not consummated any change of control or assigned any of its rights or obligations under the Registry Agreements in connection with the change of its name and (iii) Registry Operator is currently in compliance with each Registry Agreement.

Each party hereby acknowledges and agrees that this Amendment shall not be construed as a waiver of any provision of the Registry Agreements by any party hereto, nor shall it in any way affect the validity of, or the right of any party hereto, to enforce the provisions of the Registry Agreements. The parties agree that, except as set forth in this Amendment and any prior duly authorized and executed amendments, the current terms and conditions of each Registry Agreement will remain in full force and effect. All capitalized terms not defined will have the meaning given to them in each Registry Agreement. This Amendment may be executed in counterparts, each of which shall be deemed an original, and all of such counterparts taken together shall constitute one and the same instrument.
