

## Amendment to Registry Agreements

THIS AMENDMENT (“Amendment”), effective as of \_\_\_\_\_ (“Amendment Effective Date”), is made between the Internet Corporation for Assigned Names and Numbers (“ICANN”) and Uniregistry, Corp., and shall amend the Registry Agreement for certain top-level domains (“TLDs”) in the manner as further detailed and described herein.

WHEREAS, Uniregistry, Corp. (i) is party to the Registry Agreements identified in Appendix I (each, a “Registry Agreement”) and (ii) is the Registry Operator of those TLDs identified in Appendix I to this Amendment, which is attached hereto and incorporated herein; and

WHEREAS, in the interest of the mutual convenience of the parties, in lieu of executing an individual amendment to the Registry Agreement for each individual TLD identified in Appendix I, the parties hereby desire to consolidate the modifications as provided in this Amendment;

WHEREAS, Registry Operator has represented to ICANN that it has legally changed its name from Uniregistry, Corp., an exempted corporation incorporated in the Cayman Islands, to UNR Corp., an exempted corporation incorporated in the Cayman Islands;

WHEREAS, Section 7.6(i) of each Registry Agreement allows the parties to bilaterally amend the Registry Agreement in a writing signed by both parties; and

NOW, THEREFORE, the parties, intending to be legally bound, agree as follows:

1. All references to “Uniregistry, Corp.” in each Registry Agreement are hereby stricken and replaced with “UNR Corp.”.
2. Registry Operator represents to ICANN that it has not consummated any change of control or assigned any of its rights or obligations under each Registry Agreement in connection with the change of its name and that Registry Operator is currently in compliance with each Registry Agreement.
3. This Amendment may be executed in counterparts, each of which shall be deemed an original, and all of such counterparts taken together shall constitute one and the same instrument.

The parties agree that, except as set forth in this Amendment and any prior duly authorized and executed amendments, the current terms and conditions of each Registry Agreement will remain in full force and effect. All capitalized terms not defined will have the meaning given to them in each Registry Agreement.
