

Amendment to Registry Agreement

The Internet Corporation for Assigned Names and Numbers and Minds + Machines GmbH agree, effective as of _____ (“Amendment Effective Date”), that the modification set forth below is made to the 21 November 2014 .NRW Registry Agreement (“Agreement”).

I. EXHIBIT A - Approved Services

[New text]

5. Minds and Machines Protected Mark List

- 5.1. *The Minds and Machines Protected Mark List (MPML) is a service that allows trademark rights holders to have the Registry Operator withhold from registration across multiple TLDs operated by the Registry Operator domain names based on the labels listed in a valid SMD file issued by an ICANN-authorized trademark validator.*
- 5.2. *The Registry Operator must validate that the SMD file continues to be valid at the time of withholding domain names, and, if the SMD file is no longer valid, the domains names must not be withheld.*
- 5.3. *The withheld names must comply with the provisions described in Specification 5, Section 3.3 of the Registry Agreement.*
- 5.4. *Registry Operator must offer registrars support for the MPML service in EPP.*

The parties agree that, except as set forth in this Amendment, the current terms of the Agreement will remain in full force and effect. All capitalized terms not defined will have the meaning given to them in the Agreement.
