ICANN Final Determination

Re: Notice of Registry Operator Request for Termination of Registry Agreement - .sca

On 19 July 2023, SVENSKA CELLULOSA AKTIEBOLAGET SCA (publ) notified ICANN org of its intent to terminate the .sca Registry Agreement entered into on 13 March 2014. Pursuant to Section 4.4(b) of the Registry Agreement, Registry Operator may terminate the Registry Agreement for any reason upon one hundred eighty (180) calendar day advance notice.

Pursuant to the terms of Section 4.5 of the Registry Agreement (as modified by Section 6 of Specification 13 for this .Brand TLD), ICANN org consulted with SVENSKA CELLULOSA AKTIEBOLAGET SCA (publ) to assess whether to transition operation of the .sca top-level domain (TLD) to a successor Registry Operator.

On 06 October 2023, ICANN org made a preliminary determination that operation of the .sca TLD need not be transitioned to a successor Registry Operator based on the following rationale:

1. .sca qualifies as a .Brand TLD.
2. Transitioning the TLD is not necessary to protect the public interest.

On 05 November 2023, after a 30-day period for comments by interested parties, no comments were received. Pursuant to Section 4.4(b) of the Registry Agreement, ICANN org will proceed to terminate the .sca Registry Agreement by 15 January 2024.

In conformance with Section 4.5 of the Registry Agreement (as modified by Section 6 of Specification 13 for this .Brand TLD), ICANN org may not delegate the TLD to a successor registry operator for a period of two years without Registry Operator's consent, which shall not be unreasonably withheld, conditioned or delayed.
