## ICANN Preliminary Determination

Re: Notice of Registry Operator Request for Termination of Registry Agreement - xn--4gq48lf9j Top-Level-Domain

On 25 July 2016, Wal-Mart Stores, Inc. notified ICANN of its intent to terminate the xn--4gq48lf9j Registry Agreement entered into on 24 July 2014. Pursuant to section 4.4(b) of the Registry Agreement, Registry Operator may terminate the Registry Agreement for any reason upon one hundred eighty (180) calendar day advance notice.

Pursuant to the terms of section 4.5 of the Registry Agreement, ICANN consulted with Wal-Mart Stores, Inc. to assess whether to transition operation of the xn--4gq48lf9j top-level domain (TLD) to a successor Registry Operator.

Subject to an on-going evaluation, ICANN has made a preliminary determination that operation of the xn--4gq48lf9j TLD need not be transitioned to a successor Registry Operator. ICANN's review and determinations regarding transition to a successor registry are subject to the following criteria from section 4.5 of the Registry Agreement:

- (i) *ICANN will take into consideration any intellectual property rights of Registry Operator (as communicated to ICANN by Registry Operator) in determining whether to transition operation of the TLD to a successor registry operator and*
- (ii) *Registry Operator demonstrates to ICANN's reasonable satisfaction that*
  - (A) *all domain name registrations in the TLD are registered to, and maintained by, Registry Operator or its Affiliates for their exclusive use,*
  - (B) *Registry Operator does not sell, distribute or transfer control or use of any registrations in the TLD to any third party that is not an Affiliate of Registry Operator, and*
  - (C) *Transitioning operation of the TLD is not necessary to protect the public interest.*

ICANN's preliminary determination is based on the following rationale:

- Wal-Mart Stores, Inc. has represented to ICANN that it holds intellectual property rights for the name "一号店" (xn--4gq48lf9j).

- The xn--4gq48lf9j TLD is not delegated, therefore has no registrations.
- Wal-Mart Stores, Inc., in its function as the Registry Operator has represented to ICANN that it does not sell, distribute or transfer control or use of any registrations in the xn--4gq48lf9j TLD to third parties.

Before releasing its final determination, ICANN will consider input provided by interested parties via email at [ra-termination-comments@icann.org](mailto:ra-termination-comments@icann.org). The deadline to submit input is 19 December 2016– 23:59 UTC.
