**THIS MAN IS BEHIND IT ALL!!!**  
USING CHILDREN AS  
A PLATFORM FOR MONETARY  
GAIN IS SHAMEFUL

Glad you had an eye out for me. Nothing like misprinted material.

i appreciate the effort, but that is one awful looking poster.

**Im not an adult industry player. I can increase awarness on GFY, that's all.**

Well, we worked late into the night getting these signs ready to go  
**150 signs to be placed in stratgic places. We also printed ev  
which was a total of around 2500 flyers that will be placed  
customers at shopping centers.**

The girls are going to speak with the churches in the general area  
sign, we are posting signs on telephone poles at intersections for c  
read while sitting at traffic lights.

6-18 months (thats my guessing though) ICANN will announce the  
applications again ... So probably again about 10 companies will su

**everyone reading this (smokeythebear email template) should time and send their message to ICANN stating their opposit**

You should rather change the subject and chose a subject that alr you're against .xxx, for example

As for the porn industry. **The porn industry was doing what it situations - watch carefully and turn with the tide.**

In fact, **ICM Registry had a lot of people - perhaps it's fair to adult industry agreeing with .xxx.** It was only at the very end turning against .xxx because of US lobby pressure that Flynt decic

*Fuck .XXX, fuck Lawley, but this calling people out bullshit is EXAC industry and makes things like .XXX possible.*
